Tresa M. Howell, Chairwoman  
Kanawha County Republican  
Executive Committee  
P.O. Box 767  
Charleston, WV 25323

Dear Chairwoman Howell:

I represent the following individuals in connection with their removal from the Kanawha County Republican Executive Committee through the updated roster you filed with the West Virginia Secretary of State on July 10, 2019: Thomas Collins; Rich Greathouse; Barbara Hackworth; Candace Joseph; Frank Larese; Bree Lemmon; and Nancy McClanahan.

These members have individually requested arbitration and you have altogether failed to respond to their requests. Accordingly, I write to formally request arbitration for each of these individuals as you are required to do under Article XIII of the Kanawha County Republican Executive Committee Bylaws.

Though not required, enclosed are letters from nineteen members of the Kanawha County Republican Executive Committee who likewise request that you provide the removed members with a fair and speedy arbitration if you will not reinstate them immediately.

Please respond with the date, time, and location of arbitration and the composition of the arbitration panel, as well as the name and contact information for the Committee's Acting General Counsel.

Sincerely,

ASHLEY N. DEEM
